

## **FREEHOLD BOROUGH HUMAN RELATIONS COMMITTEE SEEKS VOLUNTEERS**

**The Freehold Borough Human Relations Committee is a very active committee. We participate in various activities in the community as well as host an annual Senior Appreciation Day in September.**

**The Human Relations Committee is looking for new members of all ages to join the committee, as well as become volunteers for various event projects.**

**The Committee Chair Carol Lida and Co-Chair Gianna Dell'Omo welcome our High School students who are looking for the opportunity to offer their talents and service. This is an excellent opportunity for students to add these activities to their résumés. We also welcome retirees who are looking for new challenges and an opportunity to meet new people while serving the Borough.**

**In 2016, the Human Relations Committee is preparing a solemn service in commemoration of the 15<sup>th</sup> anniversary of 9-11 tragedy. It will also be participating in the Olde Freehold Day festival.**

**The committee is planning its second Volunteer Day event and its fourth annual Senior Appreciation Day. That event is held in the Hall of Records parking lot, where many vendors, music, performers, crafters, authors, and entrepreneurs gather to celebrate this special day.**

**The committee will also be announcing new and exciting projects later in the year.**

**Committee meetings are held on the first Tuesday of each month at Borough Hall, at 6:00 p.m., excluding holidays.**

**If you have any questions or would like additional information, please contact Councilman Ronald Griffiths at [rgriffiths@freeholdboro.org](mailto:rgriffiths@freeholdboro.org).**
